

## Desk side bins

*Contemporary new designs*

Desk-side units made from highly durable plastic or more stylish metal varieties. Sizes range from tiny 6litre bins and side saddles ideal for battery collection, to much larger 40 litre options for general waste. Swing top lids can be used to reduce odour and keep waste out of sight.

*Metal options*

*Fire resistant bins*

*Mesh wastepaper baskets*

*Side saddles for effective recycling*

*Larger general waste bins with swing lids*
