

Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

Outdoor

A wide range of heavy duty plastic, metal and wooden waste bins designed for external waste collection. All bins can be adapted for recycling with the eighth colour coding and signage.

Benefits:

- Ideal for all public areas such as malls, parks, schoolyards and airports
- Highly durable
- Large capacities for high volume areas
- Stylish and serviceable
- Rigid inner liners available for most ranges
- Designed to service with ease
- Colour coding available for external recycling schemes
