

# Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

## Element

Create an Impression with the new Rubbermaid Element Recycling Station

### Features:

- Flexible 1, 2, 3 or 4 waste stream models for general waste, paper, bottles and cans
- Sleek and sophisticated for high profile areas
- Manufactured from robust powder-coated steel with a minimum 30% recycled content
- Front opening doors with piano hinge and neat handle
- Single unit capacity – 95L, double capacity – 105L, triple capacity – 200L and quadruple capacity – 266L
- Custom labelling options available
- Internal bag retainers hide untidy looking waste bags and pull-out for easy waste removal
- Alternatively there is an optional leak-proof rigid polyethylene or galvanised steel inner liner
