

Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

Optobins

This versatile range of bins is ideal for areas where larger amounts of waste are generated, such as college reception areas, canteens and refectories.

Sturdy and colourful with a variety of lid options including paper slots, twin holes, hoods, flaps and open collars.

With a 100 litre capacity the Optobin fits a standard 100 litre bin bag.

Available as a general waste bin, confidential container or cans, bottles and paper recycling container.

Optobins can be personalised with labels and graphics on request.

Colours

The bin body comes in grey and the lids are available in grey, red, blue, green and yellow.
