

# Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

## Personal Recycling Proposal

Answer these 6 simple questions and we will suggest a complete *tailor-made* recycling solution that has been designed to fit *your* company profile. Simply fill in the details below and email the completed form to [info@ware4.co.uk](mailto:info@ware4.co.uk) or fax to **05601 156587**. We can then email a brief proposal completely **free of charge**.

We don't insist on a minimum order value and will help any organisation of any size!

**Name**

**Name of Organisation**

**Tel**

**Email**

- 1. What type of workplace does your business fall under?** E.g. Open plan office, smart office, industrial, retail, educational establishment, medical...
  - 2. Roughly how many employees / visitors will be in the building(s) at any one time?**
  - 3. What are the most common waste streams produced in your organisation?** E.g. paper, cans, plastic, cardboard, glass...?
  - 4. What (if any) waste & recycling capability do you currently have in place?** Sometimes recycling rates can be increased by building on an existing scheme. With our knowledge of what type of containers work where we may be able to suggest an alternative layout or adapt your scheme.
  - 5. Do you have any special requirements?** E.g. bins for external use, hazardous waste, fire resistant, space restrictions, 'fun theme'...
  - 6. Do you have a preference for plastic or metal containers or both?**
- 

Ware 4 have experience implementing waste management schemes in a variety of commercial and educational establishments, working on a range of scales and budgets to supply mix and match solutions that suit your particular needs.
