

Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

Street Carts

Street carts and trolleys for easy cleaning, storage of equipment and transportation of waste both indoors and outdoors.

Skipper

Easy to handle and compact this cart comes with a sack retention system and an optional 70 litre container.

Specifications:

- 1200 X 630 X 950mm
- 18.46 kg, 22.88kg with the rigid container.
- Colours: dark green, dark blue or dark grey. The lid and container are light grey.
- Double and triple units are also available.

The galvanised tubular box section of these carts makes them both durable and lightweight.

Features – heavy duty pneumatic tyres with roller bearing wheels, twin front jockey wheels for kerb mounting, a lockable equipment box, brush and shovel holders and choice between a collection box or 120 litre wheeled bin.

Single cart dimensions: 990 x 596 x 1270mm
